For his outstanding service to our society, we proudly dedicate our 2016 Yearbook to:

Michael Mayfield

Mike is one of the founders of Lone Star Daylily Society having joined the second week it was formed. He has been, and remains very active in many areas of the club. Mike has served as Secretary, First and Second Vice Presidents, as well as the Past President (2009-2012) of the Society.

He is a Brazoria County Master Gardener where he teaches several classes each year on a variety of gardening topics with daylilies being his favorite. Mike teaches these classes to Intern Master Gardeners as well as local garden clubs. He is also an AHS Senior Exhibition Judge and has been invited to judge daylilies for many years throughout the state of Texas. Mike is very active in our fundraising efforts, by raising and donating companion plants for the sales. Mike was instrumental in getting us set up to sell daylilies at the Texas Home and Garden Show, where he also teaches show

attendees how to care for daylilies. Mike embodies the reason our Society exists, to promote daylilies!

As a service to its members and to the general public, each year the American Hemerocallis Society (AHS) conducts a popularity poll among its members to determine the favorite daylilies from each region. It is the hope of the AHS that this Popularity Poll presents a true picture of those daylilies that perform well in a given area and which are best liked by the membership.

Please Note: Our May Flower Show has a Section listed as Popularity Poll. The selections are made from the top 5 popularity poll winners from the above list. These cultivars can only be entered in the flower show under popularity poll, instead of the normal section that the daylily usually belongs. This list is provided in this book for the daylily member to prepare to have these top five cultivars, including ties, to enter in the upcoming flower show.

Top "10 " is listed for LDS Member information only.

Host Team Responsibilities

1. Each month, a team of hosts volunteer to provide and serve food for the members. This hosting team is listed in the Yearbook along with the month of service in the program section.
2. One team member needs to assume the responsibility to make sure that the food provided is balanced. The first person or couple listed is this team member. If this is not possible, please swap with another team member for that date.
3. The team needs to plan on serving 30-40 people. Check the attendance from previous meetings to estimate how many will be at the meeting. If we have a well-known hybridizer or a really special program the society has a potluck where all members are hosts.
4. Provide all food, drinks, desserts, condiments. Ice is available in the ice maker at the center. Cups, plates, bowls, plastic utensils, and napkins will be supplied by the society and are located in the LDS storage cabinet at the center.
5. Clean up afterwards. Sweep floors and mop up any spills. Take all trash out to the dumpster. Recruit additional members to help with the clean-up. The host team has the final responsibility for the cleanup of the building. The cleanup is especially important as we are guests at the building.

Membership

Membership shall be open to any person or organization who is interested in the objectives of the Society, adheres to the By-Laws and Articles of Incorporation, and promptly pays appropriate dues. Dues are paid as Single Membership (\$5) or Dual Membership (\$8).

The Lone Star Daylily Society is organized as a non-profit corporation whose purpose shall be to promote interest in and to encourage and foster the development of the genus *Hemerocallis*, and to provide educational opportunities for its members and the public, by all suitable and appropriate means; and to also promote membership and participation in the American Hemerocallis Society and its efforts.

Membership shall be defined as active or inactive.

The By-Laws define active membership as:

Members that:

1. Pay membership dues to the Lone Star Daylily Society in a timely manner.
2. Attend six (6) or more regular or special business meetings of the society. If an event of the society takes the place of a regular business meeting, attendance at the event can count toward active membership.
3. Participate as a host or hostess for one (1) of the society's regular business meetings.

Lone Star Daylily Bucks Program

The Lone Star Daylily Society Bucks Program is an incentive program initiated to encourage members to participate in the activities of the society, beyond active membership. Members may earn Daylily Bucks for, or by performing services in, the following Award Categories:

1. Serving as an Officer of the LDS:
 - President – **100 Bucks**
 - 1st Vice President – **75 Bucks**
 - 2nd Vice President – **75 Bucks**
 - Secretary – **75 Bucks**

2. Serving as Flower Show Chairperson:
 - Show Chairperson – **100 Bucks**
 - Show Co-Chairperson – **50 Bucks**
 - Flower Show Plant Sale Chairperson – **75 Bucks**
3. Serving as a Committee Chairperson – **25 Bucks**
(LSDS or Flower Show Committees)
4. Making a Flower show Entry: limited to one (1) per Active Member per Award Period – **10 Bucks**
5. Introducing a person who becomes a member of the Lone Star Daylily Society – **10 Bucks**
6. Making a presentation or presenting a program for a LDS Meeting or Activity – **25 Bucks**
7. Assisting the LDS and Flower Show Committees – **10 Bucks**
8. Participation in the Annual Flower Show Set-up – **10 Bucks**
9. Being an 'Active Member' of the Society – **20 Bucks**
10. Serving as Webmaster - **50 Bucks**
11. Any other contribution recognized by the Executive Board as valuable to the Society – **Varies**

The awarded amount of Daylily Bucks for each Award Category is established by the Executive Board, and may change from time to time.

Award Period: Daylily Bucks are earned from August 1st to July 31st of the following year. This period is designated the Award Period.

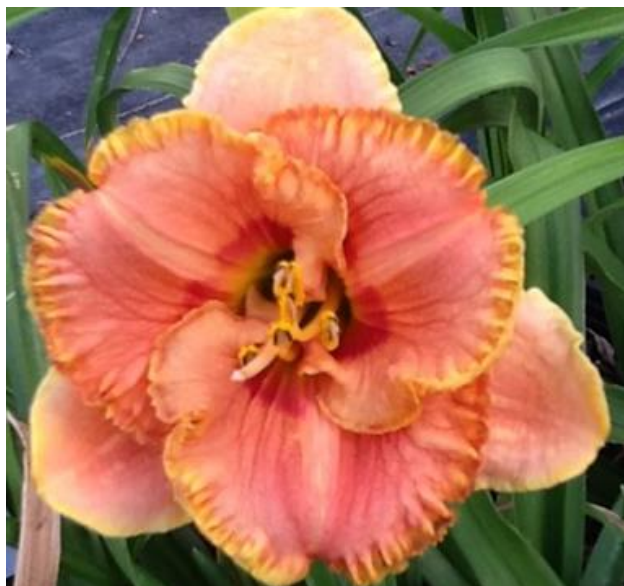

Award Value: The Executive Board will meet near the end of the Award Period and establish a real dollar value for the Daylily Bucks. Since the funds of the society will fluctuate from year to year, the value of the Daylily Bucks must be determined each Award Period. The President of the society or designate will present the Executive Board's recommendation to the membership. Approval of the Daylily Buck's value will be by vote of the membership for each Award Period.

Redemption: At the end of the Award Period, accrued Daylily Bucks are tallied for each member. Daylily Bucks are intended to be used to purchase daylily plants, usually in October each year. Members may use their daylily bucks to purchase daylily plants during our member plant distribution.

As the Lone Star Daylily Society is a non-profit corporation and no part of the net earnings of the society shall inure to the benefits of any member, the members that purchase plants must agree to take particularly good care of their plants and return the increase to the society within three (3) years. The increase will be used to purchase plants for the society's daylily plant sales.

For example: If Daylily Bucks are determined to be equal to \$0.50 each and you have accumulated 100 Daylily Bucks for the Award Period, your real dollar value award will be \$50.00. You may then select a \$50.00 Daylily Plant. Any unused Daylily Bucks will be deleted by the Program Administrator on December 31 of the year awarded.
